

Purpose-built to provide maximum safety in tough situations, the Rig Lizard® 2021X features HexArmor's highly flexible and continuous IR-X® Impact Exoskeleton™, delivering level 2 impact protection on the back of the hand and knuckles. The 2021X offers level B for cut resistance and a puncture level 4 rating, while the durable TP-X® palm with reinforced stitching provides superior grip in both wet and dry situations. This glove also includes a reinforced TP-X® index finger and thumb saddle and an enhanced elastic cuff makes donning and doffing easier.
