

HELIX[®] 2076

HexArmor[®]

Innovation intertwined with safety. That's the DNA of the Helix[®] Series. The Helix[®] 2076 features a 13-gauge HPPE/steel/fiberglass blend shell that delivers 360° level F cut resistance for unrivaled comfort and protection on the job.

Finished with a flexible polyurethane palm coating and reinforced thumb saddle, wearers experience superior grip, durability, and abrasion resistance, making the 2076 a customer favorite.
