

HELIX® 3014IMP

HexArmor®

Innovation intertwined with safety. That's the DNA of the Helix® Series. The eco-friendly Helix® 3014IMP features an incredibly dexterous fiberglass-free 18-gauge recycled knit shell and delivers 360° level F cut protection.

The back-of-hand features an all-new, high-flex impact technology exclusive to HexArmor® and provides level 2 impact protection, while the sandy nitrile coating on the palm provides superior grip in dry, oily, or wet conditions.
