

9000 Series™ 9010

HexArmor®

The versatile 9000 Series™ offers a line of palm-coated knit gloves, supplemented with SuperFabric® brand materials, and purpose-built for a variety of industrial applications. An level F cut-resistant interior palm protects users from lacerations and industrial punctures, while a polyethylene fiber and glass fiber blend shell offers differing levels of cut protection, flexibility, and dexterity. Each product in the 9000 Series™ features a unique palm dip, maintaining the highest grip in varying conditions while increasing abrasion resistance and extending product life.
